Ballet and Jazz Classes

The Gobel School of Dance

Director & Instructor, Katie Parr
Instructor, Kristen Ervin

The Studio

The Gobel School of Dance offers ballet (ages 4 to adult,) and jazz (ages 7 to adult) classes.

For adult ballroom & Latin classes visit:
www.gobelschoolofdance.com.

We feel that dance is a wonderful way to exercise both the mind and body.

We like to inspire well-rounded, healthy dancers who realize that talent, practice and a good work ethic are important in ballet as well as in life. Our dancers also learn the importance of injury prevention so that they can enjoy dancing throughout their entire lives.

We want to make sure that each child is in the right class based on their abilities and specific dance needs.

Class placements are not decided by age, grade level, social group or even number of years danced. Our placements are based on technique, behavior, attitude and willingness to learn.

We look forward to the 2011-2012 year and all the opportunities it brings for our dancers!

Performances

The Gobel School of Dance showcases its dancers in a performance at the end of each school year. Dancers will get the exciting chance to be involved in a full-length ballet production as well as display their versatility in contemporary and jazz numbers.

We begin working toward the recital in the spring. To ensure that dancers attend rehearsal we incorporate this **ABSENCE POLICY** from January to May: Any dancer with 3 or more unexcused absences will not participate in the recital.

Parents will be required to pay for their child's costume. All students will be measured during class time and costumes will be decided and ordered by the teacher after collecting all costume money.

There will also be an opportunity to see students dance before the recital during our parent observation week.
